

Lasting active investments

- Focused portfolio
- Sustainable business models
- Active Nordic investments

Long-term growth

The investment objective of the C WorldWide Nordic fund is to achieve long-term capital growth exceeding the return of the market with a moderate risk profile in line with or below the risk of the market. Our experience in managing focused portfolios is that a concentrated portfolio of 25 to 30 high-conviction stock picks ensures sufficient risk diversification.

- Experienced managers
- Theme-based investments
- High-conviction stock picks

Through a deep, fundamental analysis and understanding of the company's free cash flow and future growth prospects, the fund aims to be optimally prepared for future investment opportunities with a robust portfolio of unique stock picks.

The fund invests in equities listed on the Nordic stock exchanges and has no sector restrictions.

Stability and experience lead the way for lasting investment performance. We have one of the most stable and experienced teams in the industry, with an average employment of 23 years.

Our global insights and proven investment strategy set the foundation for long-term value creation.

Since 1986, we have been dedicated to delivering long-term value to our clients by analysing investment opportunities through a global lens.
