SWEDEN SMALL CAP

Selective investing in high growth

Active opportunities in swedish small cap
The Swedish equity market is a diverse and exciting collection of companies, many of which have world-class businesses and prospects. The Swedish small cap segment in particular is an exciting growth opportunity illustrating Swedish ingenuity with leading, world class growth opportunities in diverse industries.

Since this segment consists of a constantly changing universe, we use our extensive experience to identify these unique companies and construct a focused portfolio.

We dare to be different. Our extensive experience allows us to deviate from consensus and focus on what's most important. C WorldWide Nordic fund offers a diversified portfolio of high-quality companies that we consider to be the best equity investments in the Nordic countries.

Selecting the best companies for you
A focused portfolio of 30-35 stocks ensures that every single stock we select makes a difference to your investment returns. Our experience is that a concentrated portfolio of up to 35 stocks present the best opportunities for above-market returns while at the same time ensuring sufficient diversification.

Our proprietary research is key to navigating this under-analysed universe. Our bottom-up research approach, coupled with a global thematic overlay, is key to selecting high-conviction stock picks.

Our Swedish-based investment team's hands-on approach results in an extensive number of research meetings continuously identifying the changing landscape. In addition, the Swedish-based team is part of a specialised global equity firm, which enables us to leverage our local insights with our global outlook.

Our commitment to you
We are committed to continuously exploring the Swedish small-cap market segment and finding exciting growth opportunities going forward. We are convinced that the key to success and achieving superior investment returns is an active and focused approach.

We offer you
